

# RED LODGE SAY 'NO' TO SUNNICA

Location on Elms Road - This will affect YOU!

- Risk of Toxic Fumes inhaled by residents, can cause death!

- Risk of ill health of residents of all ages - noise pollution, light pollution and air pollution from construction.

- Dangerous for sufferers of COPD, Asthma and other Lung Conditions.

- Risk of house prices reducing significantly, negative impact on the views of the landscape.

- Destruction of countryside and wildlife - land almost equal to Heathrow Airport

**Caution  
Risk of  
explosion**

- Risk of explosion and uncontrollable fires putting residents at risk! **ONLY 300 metres away from the primary school in Red Lodge!**
- **Largest solar farm in Europe!**
